CROSS FILING INFORMATION: If you meet the entrance requirements for this classification and for Genetic Disease Program Specialist II, Genetic Disease Program Specialist III, and Genetic Disease Program Specialist IV scheduled at the same time, you may file for multiple examinations on a single application. You must indicate the class title(s) corresponding to each examination for which you are applying on the application Form STD. 678.

FINAL FILING DATE: There is no final filing date. Testing is considered continuous as dates can be set at any time. The testing office will accept applications continuously and will notify and test applicants as needs warrant.

TESTING PERIOD: A candidate may be tested only once during a twenty-four-month period.

SALARY RANGE: \$3658 - \$4446 per month.

POSITION DESCRIPTION: The Genetic Disease Program Specialist I is the entry and first journey level class in the series. Incumbents will typically be assigned support activities requiring a general knowledge of genetic disease control and prevention programs. Responsibilities include carrying out field investigations related to genetic disease problems; conducting bibliographic research on current developments in genetic disease-related areas; and assisting in the planning, development, and implementation of the statewide program for genetic disease registry and control.

Positions exist with the California Department of Public Health in Contra Costa County, specifically in Richmond.

REQUIREMENTS FOR ADMITTANCE TO THE EXAMINATION: It is your responsibility to make sure you meet the education and/or experience requirements stated on this announcement by the date you submit your application.. Your signature on your application indicates that you have read, understood, and possess the basic qualifications required.

NOTE: Applications/resumes **must** include "to" and "from" dates (month/day/year), time base, civil service class title(s), and range (if applicable) for all work experience. College course information **must** include title, number of semester or quarter units, name of institution, completion dates, and degree (if applicable).

Applications/resumes received without this information will be rejected. A copy of your official degree and transcripts may assist in the evaluation of your qualifications as it relates to meeting the education requirements for this examination.

MINIMUM QUALIFICATIONS: Qualifying experience may be combined on a proportionate basis if the following requirements include more than one pattern and are distinguished as either I, or II, or III, etc.

Experience: One year of experience administering a public health genetic disease program, or one year as a researcher, counselor, or teacher in genetics, genetic diseases, or a closely related field. (One year of graduate study in genetics may be substituted for the required experience.)

Education: Equivalent to graduation from college with a major in health sciences or medical sciences.

GENERAL QUALIFICATIONS: In addition to the scope defined on this announcement, candidates must possess essential personal qualifications including integrity, initiative, dependability, good judgment, ability to work cooperatively with others, and a state of health consistent with the ability to perform the assigned duties of the class. A medical examination may be required.

EXAMINATION INFORMATION: The examination will consist of a Supplemental Application that is weighted 100%. Applicants for Genetic Disease Program Specialist I, II, and III are required to respond to the following **four** supplemental items. These supplemental items are designed to identify job achievement in specific areas that demonstrates ability to successfully perform at various levels within the Genetic Disease Program Specialist series. Responses to the supplemental items will be assessed based on predetermined job-related rating criteria. In appraising the relative qualifications of candidates, consideration will be given to the extent and type of pertinent experience and education over and above that required under the minimum qualifications.

The California Department of Public Health reserves the right to revise the examination plan to better meet the needs of the service if the circumstances under which this examination was planned change. Such revision will be in accordance with civil service law and rules and all competitors will be notified.

SUPPLEMENTAL APPLICATION ITEMS: Each applicant for this examination **must** complete and submit responses to the supplemental items that follow. Applications received without responses to the supplemental items will be rejected.

INSTRUCTIONS: When responding to the supplemental items, please follow these guidelines:

- Your responses must be typewritten or generated by word processing on 8½" X 11" paper.
- Your font should be no smaller than "10" pitch.
- Your responses must be limited to one page per item.
- Identify each page with your full name.
- Make sure your responses are complete, specific, clear, and concise.
- Answer each numbered item separately, indicating the corresponding item number for each response. (You may include multiple responses on a single page.)
- Include place of employment, pertinent dates, duties performed, etc., when responding to items.
- In the event that one particular job contained responsibilities applicable to several items, separate the different functions of the job in order to respond to all items completely.
- Please return your state application (678) and two copies of the Supplemental Items to the address listed on the front of the bulletin.

NOTE: Resumes, letters, and other materials will not be evaluated or considered as responses to the supplemental items.

ELIGIBLE LIST INFORMATION: Possession of the entrance requirements does not assure a place on the eligible list. In order to obtain a position on the eligible list, a minimum rating of 70% must be attained. A departmental open list will be established for use by the department listed on this announcement. The list will expire 24 months after it is established unless the needs of the service and conditions of the list warrant a change in this period.

Eligible lists established by competitive examination, regardless of date, must be used in the following order: 1) sub-divisional promotional, 2) departmental promotional, 3) multi-departmental promotional, 4) service-wide promotional, 5) departmental open, and 6) open. When there are two lists of the same kind, the older must be used first.

VETERANS PREFERENCE: Veterans preference credits will be granted in this examination since it does qualify as an entrance examination. [California law](#) limits granting of veterans preference credits to entrance examinations. Directions for applying for veterans' preference credits are provided on the Veterans Preference Application form, which is available from the California Department of Human Resources or the department shown on this announcement.
